"For forty years I searched for a principle in the healing arts which would include all forms of therapy and act as a common denominator, an intelligent answer, to all the numerous contradictory theories and claims existing today."

Dr. Randolph Stone

'common denominator?']

Minutes from AGM March 26th 2018 UKPTA

Via Google Hangouts on-line

A delayed start due to challenges with Google Hangouts, with apologies to those who missed out.

With the Agenda from 2017 all agreed we continued with other formalities.

Chairperson: Jo Scrimshaw

“This past year has been very slow; we need to do more, when there is no personal energy left to do it. The Core people are still here, and as the energy starts to pick up, we can continue to grow. Really do not like the idea of the Association or Polarity Therapy disappearing in this County”.

Registrar: Graham Whiteman

A Full on year - New Memberships to the Association this year includes:

Marilyn Duncan RPP (UK) Re-joined /Karen Smit RPP (SA)

Kim Long EPP (UK) New Trainee via Neutral Space Relaxation to EPP

Lynda Robson RPP (UK) New Trainee via Sattvic Bliss training

Cristina Gambari RPP (Luxembourg) New Trainee via Sattvic Bliss training

Christine Stone RPP (UK) Rejoined, 28 years practicing PT

Denise Blackburn RPP (UK) Re-joined

Helen Maughan now Retired (Thurso, Scotland, UK)

Graham proposed that Helen Maughan be offered and an 'Elder' status, for service to Polarity. This was seconded / carried unanimously. Congratulations Helen, from us all in the UKPTA

So as far as Registration is concerned it has been an active year for the Association. We now have 27 Members and Elders up to including the 31st March.

Also acting as webmaster, for amendments and updates to the 3 Websites, email to admin@ukpta.org.uk

Treasurer: Andrew Harry

We have had a quiet year as far as expenses are concerned. The Bank account still buoyant.

Training Liaison: Marcos Viliotti - Not in attendance.

2 people had completed their training, plus 1 needs Practice time, and wants to finish training by end of year. There are two other students who may complete by 2019 with Sattvic Bliss /Magnum Healing.

The challenge is advertising and we need to find other methods to Advertising the Training.

Secretary - Lyn Whiteman

Support given for the Counsel team in any way I can assist. We are all missing the Community contact and energy of the 'Group' we need to be meeting out in the 'Field' and many of us feel we need an actual physical meeting. Proposed CPD Day in the autumn. We discussed where may be suitable, we need somewhere that will be accessible for all near the motorways, but away from built up areas.... Jo suggested Glastonbury as an interesting place to be, and hold our CPD Gathering.

Date to follow, venue to follow. Poss. option for those not wishing to drive back the same day.
